Of the five applications decided between 9th November 2023 and the 7th December 2023, one application was of a different outcome.

i. [23/02449/APP](#): **98 London Road HP22 5HS**

Householder application for loft conversion including rear dormer and single storey side and rear extension.

ACPC Decision: Object: The reasoning for this objection is that the application will lead to a building that would overbearing and incongruous in relation to surrounding properties. This is in contravention of Policies HQD1 and HQD2 of the ACNP.

Bucks Decision: Approved: A dormer window to the rear roof slope could be constructed under permitted development as evidenced by the issuing of a lawful development certificate for a dormer of an identical scale under app ref: 23/01809/CPL, while the proposed single storey side/ rear extension would be identical to extant permission 23/01812/APP.
